Dear Neighbors,

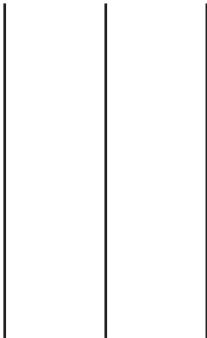

This year, I am hosting my first 3-on-3 inaugural basketball tournament for children between the ages of 7 and 13. The event is a terrific opportunity to showcase our local basketball talents and meet young people from throughout the community.

There will also be an anti-bullying educational forum during intermission where I will ask our young people to join me in rejecting bullying.

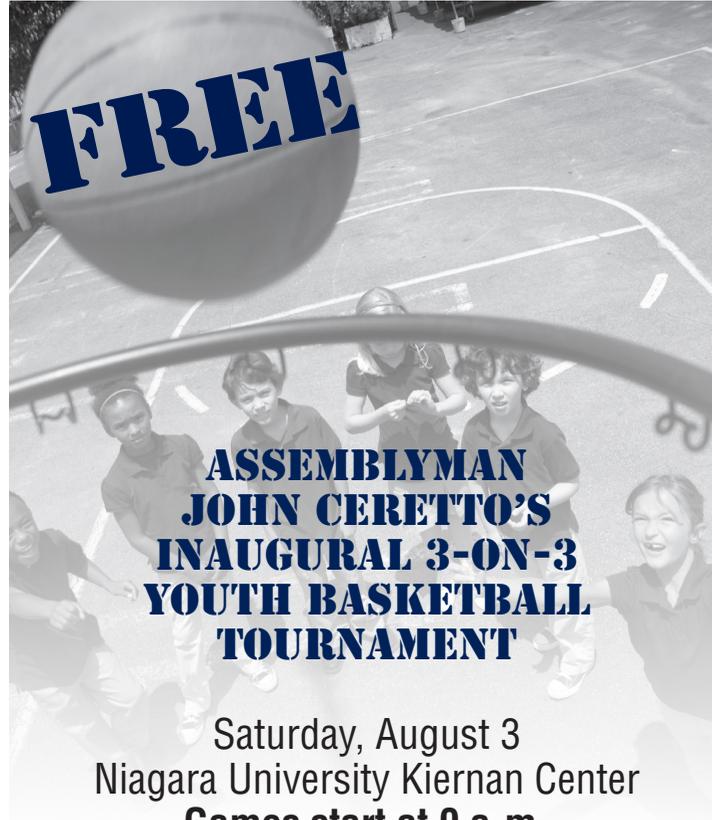

The tournament is a great way to stay active this summer, and I hope many of you will sign up and join the event. If you are interested, please sign up as soon as possible as there is limited space for the tournament.

Feel free to contact me about this or any state issue of importance.

Thank you,  
John Ceretto
