THANK YOU TO ALL OUR TEACHERS!

Dear Teachers and Parents,

Thank you for all your hard work during the COVID-19 pandemic. Teaching our youth is never an easy task, but the Coronavirus outbreak sure has made things more complicated!

Despite all the challenges, you have shown the resilience and determination that New Yorkers possess. Teachers and parents have gone above and beyond to ensure students have continued to learn and excel at their studies.

From the bottom of my heart, I want to thank you for all you did and continue to do! Please enjoy your summer. As we move into the new school year this fall, I am confident we will continue to provide our students with a positive learning environment

Education is our foundation.

Sincerely,

**Assemblywoman
