A social services district shall guarantee child care assistance to families in receipt of public assistance with children under thirteen years of age when such child care assistance is necessary for a parent or caretaker relative to engage in work or participate in work activities pursuant to the provisions of title nine-B of article five of this chapter. Child care assistance shall continue to be guaranteed for a family for a period of twelve months after the month in which the family's eligibility for public assistance has terminated or ended when such child care is necessary in order to enable the parent or caretaker relative to engage in work, provided that the family's public assistance has been terminated as a result of an increase in the hours of or income from employment or increased income from child support payments or because the family voluntarily ended assistance; that the family received public assistance in at least three of the six months preceding the month in which eligibility for such assistance terminated or ended or provided that such family has received child care assistance under subdivision four of this section; [and] that the family's income does not exceed two hundred percent of the state income standard, or two hundred sixty percent of the state income standard effective August first, two thousand twenty-two, or three hundred twenty-five percent of the state income standard effective April first, two thousand twentythree, or four hundred percent of the state income standard effective April first, two thousand twenty-four. Such child day care shall recognize the need for continuity of care for the child and a district shall not move a child from an existing provider unless the participant consents to such move.
- 4. (a) Local social services districts shall guarantee applicants who would otherwise be eligible for, or are recipients of, public assistance benefits and who are employed, the option to choose to receive continuing child day care subsidies in lieu of public assistance benefits, for such period of time as the recipient continues to be eligible for public assistance. For the purposes of this subdivision, an eligible applicant for, or recipient of, public assistance benefits and who is employed includes a person whose gross earnings equal, or are greater than, the required number of work hours times the state minimum wage. Recipients of child care subsidies under this subdivision who are no longer eligible for public assistance benefits, shall be eligible for transitional child care described in paragraph (b) of subdivision one of this section as if they had been recipients of public assistance.
- (b) Nothing herein shall be construed to waive the right of an applicant who chooses to receive continuing child day care subsidies pursuant to this section from applying for ongoing public assistance.

- 52 4. The amount to be paid or allowed for child care assistance funded 53 under the block grant shall be the actual cost of care but no [more] 54 <u>less</u> than <u>ninety percent of</u> the applicable market-related payment rate 55 [established by the department in regulations]. The payment rates estab-56 lished by the department shall be sufficient to ensure equal access for

eligible children to comparable child care assistance in the substate area that are provided to children whose parents are not eligible to receive assistance under any federal or state programs. Such payment rates shall take into account the variations in the costs of providing child care in different settings and to children of different age groups, and the additional costs of providing child care for children with special needs.

8 § 4. This act shall take effect immediately; provided, however, that 9 subdivision 2-a of section 410-w of the social services law, as added by 10 section two of this act, shall expire and be deemed repealed April 1, 11 2024.

§ 6. Sections 341 and 341-a of the social services law are REPEALED and a new section 341 is added to read as follows:

§ 341. Re-engagement; conciliation; refusal to participate. 1. (a) Consistent with federal law and regulations and this title, if a partic-ipant has failed or refused to comply with the requirements of this title and the district has determined that he or she is not exempt from such requirements and has verified that appropriate child transportation, and accommodations for disability were in place at the time of such failure or refusal, the social services district shall issue a re-engagement notice in plain language indicating that such failure or refusal has taken place and of the right of such participant to avoid a pro-rata reduction in public assistance benefits through the re-engagement process. "Re-engagement process" shall mean the process through which a participant may avoid a pro-rata reduction in public assistance benefits by agreeing to comply with the requirements of this title consistent with any medical condition which may limit the individ-ual's ability to participate in work activities, by notifying the district that he or she has become exempt from the requirements of this title, or by resolving the reasons for such failure or refusal at a conciliation conference. The notice shall indicate that the participant has ten days to request re-engagement with the district. The notice shall indicate the specific instance or instances of willful refusal or failure to comply without good cause with the requirements of this title and the necessary actions that must be taken to avoid a pro-rata reduction in public assistance benefits and the district has verified that appropriate child care, transportation and accommodations for disa-bility were in place at the time of such failure or refusal.

(1) If a participant chooses to avoid a pro-rata reduction in public assistance benefits through a conciliation conference, it will be the responsibility of the participant to give reasons for such failure or refusal. The re-engagement notice shall also include an explanation in plain language of what would constitute good cause for non-compliance and examples of acceptable forms of evidence that may warrant an exemption from work activities, including evidence of domestic violence, and physical or mental health limitations that may be provided at the conciliation conference to demonstrate such good cause for failure to comply with the requirements of this title. Unless as part of the re-engagement process the participant does not agree to comply, has not become exempt or the district determines as a result of the conciliation conference that such failure or refusal was willful and without good cause, no further action shall be taken.

(2) If the participant does not contact the district within ten days of the re-engagement notice, the district shall make a finding of whether the alleged failure or refusal to comply was willful and without good cause and shall consider any evidence in the possession of the district indicating that the participant has good cause and if the participant is otherwise participating in work activities, there shall be no finding of willfulness without good cause based on a single appointment or infraction.

(b) If the district determines that such failure or refusal was will-ful and without good cause, and that the individual is not exempt

from the requirements of this title, the district shall notify such participant in writing, in plain language and in a manner distinct from any previous notice, by issuing ten days notice of its intent to discontinue or reduce assistance. Such notice shall include the reasons for such determination, the specific instance or instances of willful

refusal or failure to comply without good cause with the requirements of this title, shall verify that appropriate child care, transportation and accommodations for disability were in place at the time of such failure or refusal, and specify the necessary actions that must be taken to avoid a pro-rata reduction in public assistance benefits, including agreeing to comply with the requirements of this title consistent with any medical condition which may limit the individual's ability to participate in work activities or notifying the district that he or she has become exempt from the requirements of this title and the right to a fair hearing relating to such discontinuance or reduction.

- 2. (a) The department shall establish in regulation a conciliation procedure for the resolution of disputes related to an individual's participation in programs pursuant to this title.
- (b) The district shall contract with an independent entity, approved by the department, or shall use designated trained staff at the supervisory level who have no direct responsibility for the participant's case to mediate disputes in the conciliation conference.
- (c) If a participant's dispute cannot be resolved through such conciliation procedure, an opportunity for a fair hearing shall be provided. No sanction relating to the subject dispute may be imposed during the re-engagement process.
- 3. When any participant required to participate in work activities fails to comply with the provisions of this title, the social services district shall take such actions as prescribed by appropriate federal law and regulation and this title.
- 4. Consistent with federal law and this title, a social services district shall provide to those participants whose failure to comply has continued for thirty days or longer a written reminder of the option to end a sanction by terminating the failure to comply as specified in subdivision one of this section. Such notice shall advise that the participant may immediately terminate the sanction by either agreeing to comply with the requirements of this title consistent with any medical condition which may limit the individual's ability to participate in work activities or notifying the district that he or she has become exempt from the requirements of this title.
- 5. Consistent with federal law and regulation and this title, no notice shall be issued as specified in subdivision one of this section unless it has been determined that the individual is not exempt from the requirements of this title and has determined that appropriate child care, transportation and accommodations for disability were in place at the time of such failure or refusal to comply with the requirements of this title and no action shall be taken pursuant to this section for failure to participate in the program or refusal to accept employment if:
- (a) child care for a child under age thirteen (or day care for any incapacitated individual living in the same home as a dependent child) is necessary for an individual to participate or continue participation in activities pursuant to this title or accept employment and such care is not available and the social services district fails to provide such care;
- 52 (b) (1) the employment would result in the family of the participant
 53 experiencing a net loss of cash income; provided, however, a participant
 54 may not claim good cause under this paragraph if the social services
 55 district assures that the family will not experience a net loss of cash
 56 income by making a supplemental payment;

- § 7. Sections 342 and 342-a of the social services law are REPEALED and a new section 342 is added to read as follows:
- 342. Such ineligibility shall be for the amount and period specified in this section. Good cause for failing to comply with the requirements of this title shall be defined in department regulations, provided, however, that the parent or caretaker relative of a child under thirteen years of age shall not be subject to the ineligibility provisions of this section if the individual can demonstrate, in accordance with the regulations of the office of children and family services, that lack of available child care prevents such individual from complying with the work requirements of this title. The parent or caretaker relative shall be responsible for locating the child care needed to meet the work requirements; provided, however, that the relevant social services district shall provide a parent or caretaker relative who demonstrates an inability to obtain needed child care with a choice of two providers, at least one of which will be a regulated provider.
- 2. In the case of an applicant for or recipient of public assistance whom the district has determined is not exempt from the requirements of this title and who is a parent or caretaker of a dependent child, the public assistance benefits otherwise available to the household of which such individual is a member shall be reduced pro-rata until the individual is willing to comply with the requirements of this title consistent with any medical condition which may limit the individual's ability to participate in work activities.
- 3. In the case of an individual who is a member of a household without dependent children whom the district has determined is not exempt from the requirements of this title and who is applying for or in receipt of safety net assistance, the public assistance benefits otherwise available to the household of which such individual is a member shall be reduced pro-rata until the failure or refusal to comply with the requirements of this title consistent with any medical condition which may limit the individual's ability to participate in work activities ceases.
- 4. A recipient of public assistance whom the district has determined is not exempt from the requirements of this title and who quits or reduces his or her hours of employment without good cause or due to any medical condition which may limit the individual's ability to participate in work activities shall be considered to have failed to comply with the requirements of this article and shall be subject to the provisions of this section.

7 ARTICLE 2

VETERANS EMPLOYMENT ACT

9 Section 30. Short title.

- 31. Legislative findings.
- 32. Definitions.
- 33. Temporary hiring.
- 34. Department of civil services responsibilities.
- Regulations.
- § 30. Short title. This article shall be known and may be cited as the "veterans employment act".
- § 31. Legislative findings. The legislature hereby finds that it is estimated that over the next five years, forty-four thousand veterans are expected to return to this state from their military posts, making the Empire State home to one of the largest veteran populations in the country. Shockingly, the unemployment rate for Post-9/11 veterans in New York was 10.7% in two thousand twelve, which is nearly one percent higher than the national average and higher than the state's overall 8.2% unemployment rate. The legislature has found previously that it is in the interest of the state to ensure that returning veterans have employment opportunities available upon their separation from military service.

The state already encourages private businesses to hire military veterans through tax credits and other economic incentives. In addition, the legislature has previously found that state agencies spend millions of dollars annually on temporary staff hired from temporary employment service companies to cover temporary staffing needs. These temporary state jobs could serve as a bridge for recently discharged military veterans who have yet to find full-time permanent work. In addition, these temporary assignments could serve to develop the next generation of the state workforce and help with succession planning for the current workforce.

The legislature declares it to be the policy of this state to use veterans for temporary appointments in state agencies rather than utilizing temporary employment service companies in order to provide employment opportunities for returning military veterans.

- § 32. Definitions. As used in this article:
- 1. "State agency" shall mean any department, board, bureau, division, commission, council or committee within the executive branch, the state university of New York, the city university of New York, and all public authorities under the control of the executive branch.
- 2. "Temporary appointment" shall have the same meaning as provided in section sixty-four of the civil service law.
- 3. "Veteran" shall mean an individual who served on active duty in the United States army, navy, marine corps, air force, coast guard or the reserves component, or who served in active military service of the United States as a member of the army national guard, air national guard, New York guard or New York naval militia, who was released from such service otherwise then by dishonorable discharge after September eleventh, two thousand one.

- (i) is attributable to a mental or physical impairment or combination 31 32 of mental and physical impairments;
 - (ii) is manifested before the individual attains age twenty-two;
 - (iii) is likely to continue indefinitely;
- 35 (iv) results in substantial functional limitations in three or more of 36 the following areas of major life activity:
 - (A) self-care;
 - (B) receptive and expressive language;
- 39 (C) learning;
- 40 (D) mobility;
- 41 (E) self-direction;

- 44 (v) reflects the individual's need for a combination and sequence of 45 special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended 47 duration and are individually planned and coordinated.
- § 702. Housing access voucher program. The commissioner, subject to 48 49 the appropriation of funds for this purpose, shall implement a program 50 of rental assistance in the form of housing vouchers for eligible indi-51 viduals and families who are homeless or who face an imminent loss of housing in accordance with the provisions of this article. The housing 53 trust fund corporation shall issue vouchers pursuant to this article, subject to appropriation of funds for this purpose, and may contract
- 54 with the division of housing and community renewal to administer any 55
- aspect of this program in accordance with the provisions of this arti-

cle. The commissioner shall designate housing access voucher local administrators in the state to make vouchers available to such individuals and families and to administer other aspects of the program in accordance with the provisions of this article. In the city of New York, the housing access voucher local administrator shall be the New York city department of housing preservation and development, or the New York city housing authority, or both.

- § 703. Eligibility. The commissioner shall promulgate standards for determining eligibility for assistance under this program. Individuals and families who meet the standards shall be eligible regardless of immigration status. Eligibility shall be limited to individuals and families who are homeless or facing imminent loss of housing. Housing access voucher local administrators may rely on correspondence from a homeless shelter or similar institution or program to determine whether an applicant qualifies as a homeless individual or family.
- 1. An individual or family shall be eligible for this program if they are homeless or facing imminent loss of housing and have an income of no more than fifty percent of the area median income, as defined by the federal department of housing and urban development.
- 2. An individual or family in receipt of rental assistance pursuant to this program shall be no longer financially eligible for such assistance under this program when thirty percent of the individual's or family's adjusted income is greater than or equal to the total rent for the dwelling unit.
- 3. When an individual or family becomes financially ineligible for rental assistance under this program pursuant to subdivision two of this section, the individual or family shall retain rental assistance for a period no shorter than one year, subject to appropriation of funds for this purpose.
- 4. Income eligibility shall be verified prior to a public housing agency's initial determination to provide rental assistance for this program and upon determination of such eligibility, an individual or family shall annually certify their income for the purpose of determining continued eligibility and any adjustments to such rental assistance.
- 5. The commissioner shall collaborate with the office of temporary and disability assistance and other state and city agencies to allow public housing agencies to access income information for the purpose of verifying an individual's or family's income.
- § 704. Funding allocation and distribution. 1. Funding shall be allocated by the commissioner in each county and the city of New York in proportion to the number of households in each county or the city of New York who are severely rent burdened based on data published by the United States census bureau.
- 2. The commissioner shall be responsible for distributing the funds allocated in each county or the city of New York among housing access voucher local administrators operating in each county or in the city of New York.
- 3. At least fifty percent of funds distributed in each county or in the city of New York shall be allocated to individuals or families who are homeless. If a county is unable to fully distribute all funds allocated pursuant to this program under this section, such county may spend fewer than fifty percent of its funds for those who are homeless, provided that all eligible applicant individuals or families who are homeless have been served.
- 55 <u>4. At least eighty-five percent of funds distributed in each county or</u> 56 <u>in the city of New York for individuals or families who are homeless</u>

pursuant to subdivision three of this section shall be allocated to
individuals and families whose income does not exceed thirty percent of
the area median income as defined by the federal department of housing
and urban development.

- 5. Of the funds allocated to individuals and families who face an imminent loss of housing, priority shall be given to individuals and families who have formerly experienced homelessness, including those who have previously received a temporary rental voucher from the state, a locality, or a non-profit organization or who currently have a rental assistance voucher that is due to expire within six months of application.
- § 705. Payment of housing vouchers. The housing voucher shall be paid directly to any owner under a contract between the owner of the dwelling unit to be occupied by the voucher recipient and the appropriate housing access voucher local administrator. A housing assistance payment contract entered into pursuant to this section shall establish the maximum monthly rent (including utilities and all maintenance and management charges) which the owner is entitled to receive for each dwelling unit with respect to which such assistance payments are to be made. The maximum monthly rent shall not exceed one hundred ten percent nor be less than ninety percent of the fair market rent for the rental area in which it is located. Fair market rent for a rental area shall be published not less than annually by the commissioner and shall be made available on the website of New York state homes and community renewal.
- § 706. Leases and tenancy. Each housing assistance payment contract entered into by a housing access voucher local administrator and the owner of a dwelling unit shall provide:
- 1. that the lease between the tenant and the owner shall be for a term of not less than one year, except that the housing access voucher local administrator may approve a shorter term for an initial lease between the tenant and the dwelling unit owner if the housing access voucher local administrator determines that such shorter term would improve housing opportunities for the tenant and if such shorter term is considered to be a prevailing local market practice;
- 2. that the dwelling unit owner shall offer leases to tenants assisted under this article that:
- 37 (a) are in a standard form used in the locality by the dwelling unit 38 owner; and
 - (b) contain terms and conditions that:
 - (i) are consistent with state and local law; and
 - (ii) apply generally to tenants in the property who are not assisted under this article;
 - (c) shall provide that during the term of the lease, the owner shall not terminate the tenancy except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable state or local law, or for other good cause, and in the case of an owner who is an immediate successor in interest pursuant to foreclosure during the term of the lease vacating the property prior to sale shall not constitute other good cause, except that the owner may terminate the tenancy effective on the date of transfer of the unit to the owner if the owner:
 - (i) will occupy the unit as a primary residence; and
- 52 (ii) has provided the tenant a notice to vacate at least ninety days
 53 before the effective date of such notice;
- 54 (d) shall provide that any termination of tenancy under this section 55 shall be preceded by the provision of written notice by the owner to the

1 tenant specifying the grounds for that action, and any relief shall be
2 consistent with applicable state and local law;

- 3. that any unit under an assistance contract originated under this article shall only be occupied by the individual or family designated in said contract and shall be the designated individual or family's primary residence. Contracts shall not be transferable between units and shall not be transferable between recipients. A family or individual may transfer their voucher to a different unit under a new contract pursuant to this article;
- 10 <u>4. that an owner shall not charge more than a reasonable rent as</u>
 11 <u>defined in section seven hundred one of this article.</u>
 - § 707. Rental obligation. 1. The monthly rental obligation for an individual or family receiving housing assistance pursuant to the housing access voucher program shall be the greater of:
 - (a) thirty percent of the monthly adjusted income of the family or individual; or
 - (b) If the family or individual is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the actual housing costs of the family, is specifically designated by that agency to meet the housing costs of the family, the portion of those payments that is so designated. These payments include, but are not limited to any shelter assistance or housing assistance administered by any federal, state or local agency.
 - 2. If the rent for the individual or family (including the amount allowed for tenant-paid utilities) exceeds the applicable payment standard established under subdivision three of section seven hundred eight of this article, the monthly assistance payment for the family shall be equal to the amount by which the applicable payment standard exceeds the greater of amounts under paragraphs (a) and (b) of subdivision one of this section.
 - § 708. Monthly assistance payment. 1. The amount of the monthly assistance payment with respect to any dwelling unit shall be the difference between the maximum monthly rent which the contract provides that the owner is to receive for the unit and the rent the individual or family is required to pay under section seven hundred seven of this article. Reviews of income shall be made no less frequently than annually.
 - 2. The commissioner shall establish maximum rent levels for different sized rentals in each rental area in a manner that promotes the use of the program in all localities based on the fair market rental of the rental area. Rental areas shall be delineated by county, excepting that the city of New York shall be considered one rental area. The commissioner may rely on data or other information promulgated by any other state or federal agency in determining the rental areas and fair market rent.
- The payment standard for each size of dwelling unit in a rental area shall not be less than ninety percent and shall not exceed one hundred ten percent of the fair market rent established in section seven hundred one of this article for the same size of dwelling unit in the same rental area, except that the commissioner shall not be required as a result of a reduction in the fair market rent to reduce the payment standard applied to a family continuing to reside in a unit for which the family was receiving assistance under this article at the time the fair market rent was reduced.
- § 709. Inspection of units. 1. Initial inspection.

(a) For each dwelling unit for which a housing assistance payment contract is established under this article, the housing access voucher local administrator (or other entity pursuant to section seven hundred twelve of this article) shall inspect the unit before any assistance payment is made to determine whether the dwelling unit meets the housing quality standards under subdivision two of this section, except as provided in paragraph (b) or (c) of this subdivision.

(b) In the case of any dwelling unit that is determined, pursuant to an inspection under paragraph (a) of this subdivision, not to meet the housing quality standards under subdivision two of this section, assistance payments may be made at the discretion of a housing access voucher local administrator for the unit notwithstanding subdivision three of this section if failure to meet such standards is a result only of nonlife-threatening conditions, as such conditions are established by the commissioner. A housing access voucher local administrator making assistance payments pursuant to this paragraph for a dwelling unit shall, thirty days after the beginning of the period for which such payments are made, withhold any assistance payments for the unit if any deficiency resulting in noncompliance with the housing quality standards has not been corrected by such time. The housing access voucher local administrator shall recommence assistance payments when such deficiency has been corrected, and may use any payments withheld to make assistance payments relating to the period during which payments were withheld.

(c) In the case of any property that within the previous twenty-four months has met the requirements of an inspection that qualifies as an alternative inspection method pursuant to subdivision five of this section, a housing access voucher local administrator may authorize occupancy before the inspection under paragraph (a) of this subdivision has been completed, and may make assistance payments retroactive to the beginning of the lease term after the unit has been determined pursuant to an inspection under paragraph (a) of this subdivision to meet the housing quality standards under subdivision two of this section. This paragraph may not be construed to exempt any dwelling unit from compliance with the requirements of subdivision four of this section.

- 2. The housing quality standards under this subdivision shall be standards for safe and habitable housing established:
 - (a) by the commissioner for purposes of this subdivision; or
- (b) by local housing codes or by codes adopted by the housing access voucher local administrator that:
- (i) meet or exceed housing quality standards, except that the commissioner may waive the requirement under this subparagraph to significantly increase access to affordable housing and to expand housing opportunities for families assisted under this article, except where such waiver could adversely affect the health or safety of families assisted under this article; and
 - (ii) do not severely restrict housing choice.
- 3. The determination required under subdivision one of this section shall be made by the housing access voucher local administrator (or other entity, as provided in section seven hundred twelve of this article) pursuant to an inspection of the dwelling unit conducted before any assistance payment is made for the unit. Inspections of dwelling units under this subdivision shall be made before the expiration of the fifteen day period beginning upon a request by the resident or landlord to the housing access voucher local administrator or, in the case of any housing access voucher local administrator that provides assistance under this article on behalf of more than one thousand two hundred fifty

families, before the expiration of a reasonable period beginning upon such request. The performance of the housing access voucher local administrator in meeting the fifteen-day inspection deadline shall be taken into consideration in assessing the performance of the housing access voucher local administrator.

- 4. (a) Each housing access voucher local administrator providing assistance under this article (or other entity, as provided in section seven hundred twelve of this article) shall, for each assisted dwelling unit, make inspections not less often than annually during the term of the housing assistance payments contract for the unit to determine whether the unit is maintained in accordance with the requirements under subdivision one of this section.
- (b) The requirements under paragraph (a) of this subdivision may be complied with by use of inspections that qualify as an alternative inspection method pursuant to subdivision five of this section.
- (c) The housing access voucher local administrator (or other entity) shall retain the records of the inspection for a reasonable time, as determined by the commissioner.
- 5. An inspection of a property shall qualify as an alternative inspection method for purposes of this subdivision if:
- (a) the inspection was conducted pursuant to requirements under a federal, state, or local housing program; and
- (b) pursuant to such inspection, the property was determined to meet the standards or requirements regarding housing quality or safety applicable to properties assisted under such program, and, if a non-state standard or requirement was used, the housing access voucher local administrator has certified to the commissioner that such standard or requirement provides the same (or greater) protection to occupants of dwelling units meeting such standard or requirement as would the housing quality standards under subdivision two of this section.
- 6. Upon notification to the housing access voucher local administrator, by an individual or family (on whose behalf tenant-based rental assistance is provided under this article) or by a government official, that the dwelling unit for which such assistance is provided does not comply with the housing quality standards under subdivision two of this section, the housing access voucher local administrator shall inspect the dwelling unit:
- (a) in the case of any condition that is life-threatening, within twenty-four hours after the housing access voucher local administrator's receipt of such notification, unless waived by the commissioner in extraordinary circumstances; and
- (b) in the case of any condition that is not life-threatening, within a reasonable time frame, as determined by the commissioner.
- In conducting such an inspection, the housing access voucher local administrator may, at its discretion, require evidence from the owner of the physical condition of a unit, including, but not limited to photographs, signed work orders, and contractor bills in lieu of the housing access voucher local administrator conducting a physical inspection.
- 7. The commissioner shall establish procedural guidelines and performance standards to facilitate inspections of dwelling units and conform such inspections with practices utilized in the private housing market. Such guidelines and standards shall take into consideration variations in local laws and practices and shall provide flexibility to the housing access voucher local administrator appropriate to facilitate efficient provision of assistance under this section.

1 § 710. Rent. 1. The rent for dwelling units for which a housing 2 assistance payment contract is established under this article shall be 3 reasonable in comparison with rents charged for comparable dwelling units in the private, unassisted local market.

- 2. A housing access voucher local administrator (or other entity, as provided in section seven hundred twelve of this article) shall, at the request of an individual or family receiving tenant-based assistance under this article, assist that individual or family in negotiating a reasonable rent with a dwelling unit owner. A housing access voucher local administrator (or other such entity) shall review the rent for a unit under consideration by the individual or family (and all rent increases for units under lease by the individual or family) to determine whether the rent (or rent increase) requested by the owner is reasonable. If a housing access voucher local administrator (or other such entity) determines that the rent (or rent increase) for a dwelling unit is not reasonable, the housing access voucher local administrator (or other such entity) shall not make housing assistance payments to the owner under this subdivision with respect to that unit.
- 3. If a dwelling unit for which a housing assistance payment contract is established under this article is exempt from local rent control provisions during the term of that contract, the rent for that unit shall be reasonable in comparison with other units in the rental area that are exempt from local rent control provisions.
- 4. Each housing access voucher local administrator shall make timely payment of any amounts due to a dwelling unit owner under this section, subject to appropriation of funds for this purpose. The housing assistance payment contract between the owner and the housing access voucher local administrator may provide for penalties for the late payment of amounts due under the contract, which shall be imposed on the housing access voucher local administrator in accordance with generally accepted practices in the local housing market.
- 32 5. Unless otherwise authorized by the commissioner, each housing access voucher local administrator shall pay any penalties from administrative fees collected by the housing access voucher local administrator, except that no penalty shall be imposed if the late payment is due 35 36 to factors that the commissioner determines are beyond the control of the housing access voucher local administrator.
 - § 711. Vacated units. If an assisted family vacates a dwelling unit for which rental assistance is provided under a housing assistance payment contract before the expiration of the term of the lease for the unit, rental assistance pursuant to such contract may not be provided for the unit after the month during which the unit was vacated.
 - § 712. Leasing of units owned by a housing access voucher local administrator. 1. If an eligible individual or family assisted under this article leases a dwelling unit (other than a public housing dwelling unit) that is owned by a housing access voucher local administrator administering assistance to that individual or family under this section, the commissioner shall require the unit of general local government or another entity approved by the commissioner, to make inspections required under section seven hundred nine of this article and rent determinations required under section seven hundred ten of this article. The housing access voucher local administrator shall be responsible for any expenses of such inspections and determinations, subject to the appropriation of funds for this purpose.
 - 2. For purposes of this section, the term "owned by a housing access voucher local administrator" means, with respect to a dwelling unit,

1 that the dwelling unit is in a project that is owned by such administrator, by an entity wholly controlled by such administrator, or by a 3 limited liability company or limited partnership in which such administrator (or an entity wholly controlled by such administrator) holds a controlling interest in the managing member or general partner. A dwell-6 ing unit shall not be deemed to be owned by a housing access voucher 7 local administrator for purposes of this section because such administrator holds a fee interest as ground lessor in the property on which 9 the unit is situated, holds a security interest under a mortgage or deed 10 of trust on the unit, or holds a non-controlling interest in an entity 11 which owns the unit or in the managing member or general partner of an 12 entity which owns the unit.

§ 713. Verification of income. The commissioner shall establish procedures which are appropriate and necessary to assure that income data provided to the housing access voucher local administrator and owners by individuals and families applying for or receiving assistance under this article is complete and accurate. In establishing such procedures, the commissioner shall randomly, regularly, and periodically select a sample of families to authorize the commissioner to obtain information on these families for the purpose of income verification, or to allow those families to provide such information themselves. Such information may include, but is not limited to, data concerning unemployment compensation and federal income taxation and data relating to benefits made available under the social security act, 42 U.S.C. 301 et seq., the food and nutrition act of 2008, 7 U.S.C. 2011 et seq., or title 38 of the United State Code. Any such information received pursuant to this section shall remain confidential and shall be used only for the purpose of verifying incomes in order to determine eligibility of individuals and families for benefits (and the amount of such benefits, if any) under this article.

§ 714. Division of an assisted family. 1. In those instances where a family assisted under this article becomes divided into two otherwise eligible individuals or families due to divorce, legal separation or the division of the family, where the new units cannot agree as to which new unit should continue to receive the assistance, and where there is no determination by a court, the public housing authority shall consider the following factors to determine which of the individuals or families will continue to be assisted:

- (a) which of the new units has custody of dependent children;
- (b) which family member was the head of household when the voucher was initially issued as listed on the initial application;
- 42 (c) the composition of the new units and which unit includes elderly 43 or disabled members;
- (d) whether domestic violence was involved in the breakup of the fami-45 ly unit;
 - (e) which family members remain in the unit; and
 - (f) recommendations of social service professionals.
 - 2. Documentation of these factors will be the responsibility of the requesting parties. If documentation is not provided, the housing access voucher local administrator will terminate assistance on the basis of failure to provide information necessary for a recertification.
- § 715. Maintenance of effort. Any funds made available pursuant to this article shall not be used to offset or reduce the amount of funds previously expended for the same or similar programs in a prior year in any county or in the city of New York, but shall be used to supplement any prior year's expenditures. The commissioner may grant an exception

§ 716. Vouchers statewide. Notwithstanding section seven hundred six of this article, any voucher issued pursuant to this article may be used for housing anywhere in the state. The commissioner shall inform voucher holders that a voucher may be used anywhere in the state and, to the extent practicable, the commissioner shall assist voucher holders in finding housing in the area of their choice.

§ 717. Applicable codes. Housing eligible for participation in the housing access voucher program shall comply with applicable state and local health, housing, building and safety codes.

§ 718. Housing choice. 1. The commissioner shall administer the hous-17 ing access voucher program under this article to promote housing choice for voucher holders. The commissioner shall affirmatively promote fair 19 housing to the extent possible under this program.

20 2. Nothing in this article shall lessen or abridge any fair housing 21 obligations promulgated by municipalities, localities, or any other 22 applicable jurisdiction.

§ 2. This act shall take effect immediately.

25 Section 1. Section 22-c of the state finance law is amended by adding 26 a new subdivision 7 to read as follows:

27 7. For the fiscal year beginning on April first, two thousand twenty-28 seven and every fifth fiscal year thereafter, the governor shall submit 29 to the legislature as part of the annual executive budget, five-year capital plans for the state university of New York state-operated 30 31 campuses and city university of New York senior colleges. Such plans 32 shall provide for the annual appropriation of capital funds to cover one 33 hundred percent of the annual critical maintenance needs identified by 34 each university system, and may include funds for new infrastructure or other major capital initiatives, provided that such funding for new 36 infrastructure or other major capital initiatives shall not count 37 towards meeting the overall critical maintenance requirement. In the event that such plan is unable to fund one hundred percent of the crit-39 ical maintenance needs due to the limitation imposed by article five-B 40 of this chapter, the director of the budget shall develop five-year 41 capital plans whereby the implementation of each capital plan would 42 annually reduce the overall facility condition index (FCI) for each university system. For the purposes of this subdivision, "facility 43 44 condition index" shall mean an industry benchmark that measures the 45 ratio of deferred maintenance dollars to replacement dollars for the purposes of analyzing the effect of investing in facility improvements. 46 The apportionment of capital appropriations to each state-operated 47 48 campus or senior college shall be based on a methodology to be developed 49 by the director of the budget, in consultation with the state university 50 of New York and city university of New York.

§ 2. This act shall take effect immediately. 51

Section 1. Clause (vi) of subparagraph 4 of paragraph h of subdivision 2 of section 355 of the education law, as amended by section 1 of part 3 JJJ of chapter 59 of the laws of 2017, is amended to read as follows:

Beginning in state fiscal year two thousand twenty-three--two thousand twenty-four and thereafter, the state shall appropriate and make available general fund operating support and fringe benefits, for the state university and the state university health science centers in an amount not less than the amounts separately appropriated and made available in the prior state fiscal year; provided, further, the state shall appropriate and make available general fund operating support to cover all mandatory costs of the state university and the state university health science centers, which shall include, but not be limited to, collective bargaining costs including salary increments, fringe benefits, and other non-personal service costs such as utility costs, building rentals and other inflationary expenses incurred by the state university and the state university health science centers; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and the speaker of the assembly, state support for operating expenses at the state university and city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply.

(vii) For the state university fiscal years commencing two thousand eleven--two thousand twelve and ending two thousand fifteen--two thousand sixteen, each university center may set aside a portion of its tuition revenues derived from tuition increases to provide increased financial aid for New York state resident undergraduate students whose net taxable income is eighty thousand dollars or more subject to the approval of a NY-SUNY 2020 proposal by the governor and the chancellor of the state university of New York. Nothing in this paragraph shall be construed as to authorize that students whose net taxable income is eighty thousand dollars or more are eligible for tuition assistance program awards pursuant to section six hundred sixty-seven of this [chapter] title.

- § 2. Paragraph (a) of subdivision 7 of section 6206 of the education law is amended by adding a new subparagraph (vi) to read as follows:
- (vi) Beginning in state fiscal year two thousand twenty-three--two thousand twenty-four and thereafter, the state shall appropriate and make available general fund operating support and fringe benefits, for the city university in an amount not less than the amounts separately appropriated and made available in the prior state fiscal year; provided, further, the state shall appropriate and make available general fund operating support to cover all mandatory costs of the city university, which shall include, but not be limited to, collective bargaining costs including salary increments, fringe benefits, and other non-personal service costs such as utility costs, building rentals and other inflationary expenses incurred by the city university; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and the speaker of the assembly, state support for operating expenses at the state university and city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply.
 - § 3. This act shall take effect immediately provided that:
- 55 (a) the amendments to subparagraph 4 of paragraph h of subdivision 2 56 of section 355 of the education law made by section one of this act

1 shall not affect the expiration and reversion of such subparagraph 2 pursuant to chapter 260 of the laws of 2011, as amended, and shall 3 expire therewith; and

(b) the amendments to paragraph (a) of subdivision 7 of section 6206 of the education law made by section two of this act shall not affect the expiration and reversion of such paragraph pursuant to chapter 260 of the laws of 2011, as amended, and shall expire therewith.

9 Section 1. The public housing law is amended by adding a new section 10 20-a to read as follows:

- § 20-a. Affordable housing five-year capital plan. 1. For the fiscal year commencing on April first, two thousand twenty-seven and every fifth fiscal year thereafter, the governor shall submit to the legislature, as part of the annual executive budget, a statewide comprehensive five-year capital plan to support the development, preservation and capital improvement of affordable housing in New York state.
- 2. The statewide comprehensive five-year capital plan to support the development, preservation and capital improvement of affordable housing in New York state required pursuant to subdivision one of this section shall be developed in consultation with any state department, agency or public authority which administers and/or plans for the development of any program intended to provide suitable housing accommodations which may fall under the purview of the capital plan and shall provide for, at a minimum: the development of supportive housing units; the preservation and/or capital improvement of public housing units of the New York city housing authority and other public housing authorities in the state; the development and/or rehabilitation of affordable housing targeted to low-income seniors; the rehabilitation of site-specific multi-family rental housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency; the preservation and/or capital improvement of Mitchell-Lama properties; the promotion of home ownership among families of low- and moderate-income; and the repair and/or replacement of mobile and manufactured homes.
