

New York State Assembly Weekly Report

From Assistant Speaker

FELIX W. ORTIZ

SEPTEMBER 5, 2016

I welcomed Ecuador's Consul General Cortazar Lascano to Sunset Park and thanked him for recognizing our United Senior Center for its contributions after the Ecuador earthquake. We meet regularly to discuss issues of mutual concern.

Visiting the Maimonides Cancer Center where I secured funding to open and enhance a cancer center. Brooklyn residents can now visit the hospital and receive the best care. It was an honor to be able to secure funding for this facility. Proper screening is the first step to preventive treatment and intervention.

Saying hello at the Fort Hamilton Garrison in Bay Ridge.

Visiting seniors, students and friends at the Miccio Center and service center in Red Hook.

Working across state lines to find ways to fight diabetes with Washington State Governor Jay Inslee.

I celebrated health and family at Patient Appreciation Day in Bliss Park – Owl's Head Park.

My Summer interns met with reporters from the Asian Pacific Islander American Public Affairs Association (APAPA).
