FIGHTING FOR *Long Island*

As your Assemblyman, I have been hard at work ensuring our Long Island communities have their needs met. We are making a lot of progress. These are just a few of the things I've been advocating for:

✓ LOWER TAXES

Eliminate state sales taxes for motor vehicle gas (A.1690)

✓ LOWERING ENERGY COSTS

Serves on the Commission to lower the cost of Electric Rates on Long Island ¹

✓ FIRST RESPONDERS

Incentivize employers to hire first responders with a tax credit (A.2044)

✓ SCHOOL LUNCHES

Support a bipartisan proposal to provide free lunch and nutrition programs for all public and private school kids (A.1941)

✓ SCHOOL SAFETY

Released a comprehensive report to improve safety and security in our schools ²
