Assemblyman Durso with Suffolk County Sheriff Errol D Toulon Jr.

With crime rising in parts of the state¹, we need solutions that will keep families feeling safe at home or when out for a night on the town.

Assemblyman Durso believes public safety starts with getting criminals off our streets and working hand-in-hand with our brave men and women in uniform.

✓ Durso's Plan:

Keep violent offenders off our streets by rolling back bail reforms and allowing judges to lock up any defendant who causes serious physical harm. [\(A7772\)](#)

Invest \$250 million in training programs for first responders to help them better serve local residents. [\(A.8938\)](#)

Assemblyman Durso joins fellow legislators and members of the NYPD in Albany to honor fallen officers.

Protect our police officers by increasing the penalty for inciting violence against a police officer. [\(A.6563\)](#)

Make it a violent felony to fire a gun into a crowded space, regardless of the outcome. [\(A.4259\)](#)

Protect first responders from having to release their personal records. [\(A.6599\)](#)

Increase penalties for firing a weapon at a member of law enforcement. [\(A.9608\)](#)
