

“No child should ever be huddled under a desk texting a terrified and helpless parent as gunshots fly in their classroom. That’s why I’m working hard to keep guns out of the wrong hands, secure our schools and keep our children and teachers safe.”

Assemblyman Steve Stern is working hard to protect our families, our schools and our suburban quality of life

During the 2019 legislative session, Assemblyman Stern:

- ✓ Co-sponsored and passed the **“Red Flag” law** to prevent individuals who pose a major threat to others from purchasing or possessing firearms. This critical legislation will help keep guns out of the hands of those who should not have them if there is a clear and present danger to the safety of our community and will save lives.
- ✓ Co-sponsored and passed the **“Child Victims Act”** to enable victims of childhood sexual abuse, who have suffered silently for too long, to seek long-delayed justice.
- ✓ Secured substantial and unprecedented funding for our local law enforcement to help protect our communities in the fight against violent gangs like MS-13 and against the deadly opioid epidemic.
- ✓ Sponsored legislation to protect our children and our communities from dangerous sexual predators by extending the registration requirement for certain Level 1 sex offenders and allowing local governments to adopt **“Child and Victim Safety Zones”** to place restrictions on where a sex offender is permitted to reside.
- ✓ Secured funding for our local schools to strengthen school security and keep our children and teachers safe.
