National Purple Heart Hall of Honor Roll of Honor

Nearly two million Americans have been awarded the Purple Heart. Unfortunately, there is no publicly available master database of all those who have been wounded or killed in action while protecting our nation and the freedoms we cherish. To help ensure all our Purple Heart heroes are memorialized for generations to come, the National Purple Heart Hall of Honor and National Purple Heart Honor Mission are building the Roll of Honor, the nation's foremost repository of Purple Heart recipients and their stories.

Inclusion in the Roll of Honor is open to all Purple Heart recipients, regardless of branch or time of service. Family members can also create profiles for their loved ones. To be enrolled, one simply completes the [registration form](https://www.purpleheartmission.org/register-for-the-roll-of-honor), <https://www.purpleheartmission.org/register-for-the-roll-of-honor>, including providing the relevant award documentation (DD-214 or DD-215, Purple Heart Certificate, General or Permanent Orders listing the Award, or a WD-AGO 53-550). Applicants to the roll are also encouraged to provide a photo to be associated with their profile.

To share your story or a loved one's, and to register for the Roll of Honor, please visit the site below:

<https://www.purpleheartmission.org/register-for-the-roll-of-honor>

If you need assistance or would like a paper copy of the application, please email Info@PurpleHeartMission.org.
