Assemblyman Steve Stern

Delivers for Half Hollow Hills

Invested in vital Pre-K programs, helping our children reach their full potential and supporting working parents

Allocated substantial funding for our **local libraries**

Significantly increased support for student mental health and special education services

Fully funded healthy school meals for all New York students so children can focus on learning

Substantially increased assistance for after-school programs that help children develop new skills and childcare, reducing financial stress on parents

Restored funding for **Teacher Resource and Computer Training Centers**

Secured funding for the **Campus Safety and Access Initiative** to provide multi-purpose utility vehicles, improve special needs access and response time for medical emergencies to keep our children safe

“Ensuring that all of our children receive a world-class education is one of my highest priorities. That's why I am so proud to deliver record support for our outstanding public schools, including enhanced security to keep our children and teachers safe.”

All funding allocated in the 2026-27 state budget
