There's still time to Be Counted

New Yorkers can respond online, by phone or through the mail.

All personal information provided is confidential. For more information or to fill out the census, go to my2020census.gov.

For anyone who hasn't completed the census yet, the U.S. Census Bureau has extended the deadline.

Why is the 2020 Census important?

- ✓ It's a count of everyone in America, from grandparents to newborn babies.
- ✓ It determines how much federal funding our state receives for essential services like hospitals and schools.
- ✓ It helps cities and communities make long-term plans for transportation and infrastructure.
