Dear Neighbor,

Here is your 2019 New York City Parking Calendar. It lists the days of the year that certain parking regulations are suspended throughout the five boroughs.

Throughout the year, people stop me on the street to tell me how helpful they find the New York City Parking Calendar. It saves them time, money and the headache of having their car towed. Obeying parking regulations also helps with street cleaning and reduces traffic congestion.

Be sure to read all parking signs carefully. Drive safely, remember to buckle up and please let me know if I can be of help in any matter.

Sincerely,

Daniel O'Donnell
