Bereavement Notice

My friend since 1997, co-parent and ex husband, passed away on Saturday.

My daughter Skye and I are coping as best as we can.

My response will be delayed, and I ask for some grace and mercy during this time. Thank you to everyone who has reached out. I truly appreciate it.

We will share the information for the arrangements once it's available.

Be Well,

Chantel Jackson, LMSW
Assembly Member
District 79
