ASSEMBLYMAN CHRIS
Tague

The heroin and opioid epidemic has risen to traumatic levels in our communities. Everyone has a family member or knows someone who has fought against this terrible affliction. We can take steps to help. We're here and we're listening. We can do it together, as a community, to save the lives of our friends and family.

Assemblyman Chris Tague is working to help push back this epidemic and heal our communities by **Educating** folks about the dangers of opioids, **Treating** and aiding in the **Recovery** of those who have been affected by the epidemic, and by empowering **Law Enforcement** to do its job and get these drugs off our streets:

Assemblyman Tague's efforts to bring hope and aid against this crisis:

- Listening to victims to know how best to help their fight for recovery.
- Sponsoring legislation that makes insurance companies cover a full detox and rehabilitation services. (A.4721)
- Establish limitations on the amount of opioids prescribed to a patient. (A.4778)
- Fighting to make possession of fentanyl a class E felony, known as the Death-by-Dealer Statute. (A.3398)
- Promoting awareness groups to bring our communities closer together and help those who need it the most.

For questions on fighting the opioid epidemic or any other government-related question, contact Assemblyman Chris Tague at: 45 Five Mile Woods Rd., Bldg. 2, Suite 2, Catskill, NY 12414 518-943-1371 • taguec@nyassembly.gov.
