

Dear Neighbor,

With the 2019 Legislative Session coming to a close, I'm incredibly happy to be in the district doing what I love most, working with you and for you to make our home a better place. I wanted to give you the opportunity to see what I've been up to the last couple months. While in Albany, I have continued to fight to secure funding for our local schools and our hardworking EMS and volunteer firefighters. I also fought for rural and school based healthcare, small business freedom, and to restore funding for upstate infrastructure maintenance and repair of local bridges and property. Protecting our farmers and our way of life is central to my mission, and ensuring that their voices are heard is something I am particularly focused on.

That being said, I am always open to talking with and discussing my goals with you! If you have any questions about what I'm doing, or would like to speak with me, please feel free to contact me at my district office at 45 Five Mile Woods Rd., Bldg. 2, Suite 2, Catskill, NY 12414, give me a call at (518) 943-1371, or email me at [taguec@nyassembly.gov](mailto:taguec@nyassembly.gov). Please don't hesitate to reach out!

My Very Best,

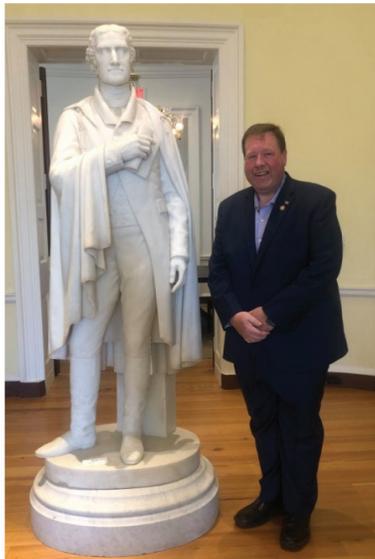

A handwritten signature in black ink, appearing to read "Chris Tague". The signature is fluid and cursive, with a large initial "C" and "T".

## **LOB Office Meetings**

I had a wonderful meeting in my LOB office in Albany with NYS Commissioner of Environmental Conservation Basil Seggos. Thank you so much for taking the time to meet with me Commissioner Seggos. I greatly enjoyed our conversation about preserving and protecting Kaaterskill Falls, Gordon Rd. and what we can do together to preserve the beautiful farms and landscape in the Hudson, Schoharie, and Susquehanna Valleys.

## **University of Virginia's Darden School of Business for the 2019 Emerging Legislative Leaders Program**

I was immensely privileged to be chosen to attend the renowned University of Virginia's Darden School of Business for the 2019 Emerging Legislative Leaders Program. As one of only 50 legislators from across the country to be selected, I can't tell you how much it means to me. Honestly, it was a once in a lifetime experience, and now that I'm back in the district, I can't wait to apply what I've learned!

## **Fireworks And Music In The Park**

What a great night for fireworks and music in the park in beautiful Catskill NY! Thank you for hosting a great evening on the point at Dutchman's Landing. It was great to see all my friends from Ulster, Columbia and Greene Counties.

## **The Schoharie County Fair**

I joined with NYS Commissioner of Agriculture Richard Ball, Schoharie County Sunshine Fair President Douglas Cater, Hope Coons, distinguished members of the American Legion Color Guard, and thousands of fair goers as we celebrated the opening of The Schoharie County Fair. Together, we honored Hope Coons for her almost 20 years of service to the citizens of Schoharie County and the Sunshine Fair through her work preserving the history of our county's historic treasures.

## **STEM Talent Pipeline Grant and Camp Innovation**

I attended the announcement of a grant to STEM Talent Pipeline Grant for Questar III STEM Research Program and Tech Valley High School's summer program, Camp Innovation. Camp Innovation encourages our young people to pursue their interests in the biology and medical fields by asking them how they would solve real issues the biomedical community faces today.

## **Opening of Fawn's Leap Tattoo**

I am always pleased to see new businesses opening up around the district, and Fawn's Leap Tattoo in Catskill is a wonderful artistic addition. The staff is incredibly friendly and passionate about their skills. I look forward to seeing the parlor grow!

## **Veterans' Resource Fair**

My esteemed colleague, Assemblyman Jake Ashby, and I hosted a Veterans' Resource Fair at Columbia Greene Community College. Assisting our veterans is something I am always focused and passionate about doing, and joining with Assemblyman Ashby, a veteran himself, was a rare honor. I am pleased to say the resource fair was a complete success! Thank you to all who came out to help our nation's heroes, but most importantly thank you to our veterans.

## **Capital Region BOCES Career and Technical School Awards ceremony**

I had the honor recently of being a speaker at the Capital Region BOCES Career and Technical School Awards ceremony in Cobleskill. Seeing so many new graduates ready to take their skills and particular talents into the world warmed my heart. As a former BOCES student, I was thrilled to see the quality of education that these graduates received. I wish you all the best of luck out there chasing your passions!

## **Richmondville Days Parade**

I join my friend Mayor Kevin Neary and Richmondville Fire Chief Dennis Cole at the Richmondville Days Parade as I presented them with a citation in honor of 125 years of dedication and distinguished service to the community. Thank you for all you folks do. It was a true honor to be a part of your celebration!
