

Assemblyman Santabarbara's experience as a civil engineer has led to increased state funding to rebuild our infrastructure

“As a civil engineer, I know
**replacing old pipes and water
mains and building safer, more
reliable roads and bridges**
ensures the health and safety
of Amsterdam residents.”

Assemblyman Angelo Santabarbara Rebuilding Amsterdam's Infrastructure

The Recorder

July 26, 2018

State funds flow to Amsterdam for Route 5 sewer improvements

Assemblyman Santabarbara secured **\$900,000** for the **Church Street Reconstruction Project** and nearly **\$490,000** to build safer, more reliable roads and bridges that Amsterdam residents deserve!

Amsterdam will also receive **\$3 million** to **replace old pipes and water mains** and an additional **\$900,000** for **sewer infrastructure improvements**.

Questions? Need more information? I'm here to help.
