

Assemblyman Santabarbara's experience as a civil engineer has led to increased state funding to rebuild our infrastructure

“As a civil engineer, I know that **smart investments to replace old pipes and water mains** ensure clean water for our families here in Fultonville.”

Assemblyman Angelo Santabarbara Rebuilding Fultonville's Infrastructure

This year's state budget also included:

- ✓ \$300 million for the Environmental Protection Fund
- ✓ \$2 million to clean up contaminated brownfield sites in our area

The village of Fultonville will receive **\$540,000** for drinking water improvement projects.
