

Fighting for the 122nd District.

In 2023, I have continued to fight for our district. Our local farmers, businesses, first responders, veterans and everyday taxpayers are the backbone of our community and I am privileged to represent all of them. I hope to improve the lives of the people of the 122nd District and keep our homes and families safe.

POLICIES I HAVE FOUGHT FOR THIS PAST YEAR:

- ★ Prevent physical or legal custody or unsupervised visitation of a child by sex offenders (A.2317).
- ★ Property tax exemptions for veterans with 100% disability (A.3471).
- ★ Ensure kids are taught about the importance of agriculture in our daily lives (A.4209).
- ★ Introduced a compact that simplifies the process for nurses and advanced practice nurses to work in multiple states, enhancing access to health care services and promoting workforce flexibility (A.7946).
