is fighting so you can keep more of your hard-earned money

Working to lower your bills

- **Preserved the Enhanced STAR program** and secured property tax rebate checks for homeowners
- **Cut an energy tax**, saving consumers and businesses \$600 million over the next three years
- **Fought to protect customers from unfair utility rate hikes** by voting to create a Utility Consumer Advocate (UCA)
- **Lowered New York's estate tax** so more of what you worked for goes to your loved ones, not to the tax collector

Protecting your health

- **Expanded eligibility for the Elderly Pharmaceutical Insurance Coverage (EPIC) program** to help lower the cost of prescription medications
- **Protected you from surprise medical bills** if you are unknowingly treated by an out-of-network doctor
- **Helped ensure your life savings will be protected** in the event your spouse needs long-term care
