WILLIAM B. MAGNARELLI

NEW YORK STATE ASSEMBLY 129TH DISTRICT

Please give us your feedback: magnarw@assembly.state.ny.us or 428-9651

Dear Friends:

These past 3 months have been very busy not only in Albany finishing up the 2013 legislative session, but also in the 129th District.

The most enjoyable part of representing our area as Assemblyman is meeting directly with my constituents. Whether it is attending events, participating in meetings or applauding the accomplishments of our citizens, I am always overwhelmed by the breadth of knowledge and abundance of kindness that the people of our Central New York Community have to offer.

I hope you enjoy this pictorial newsletter. Another newsletter re-capping this past legislative session will follow soon.

Please also note the upcoming dates of the community events I am proud to sponsor.

Sincerely,

WBM greets veterans at the Solvay Memorial Day ceremonies put on by the Stanley B. Pennock VFW Post 2893.

Students from the Syracuse Academy of Science were recognized for their Outstanding Achievement in the North East Science Bowl. The Science Bowl Team won 1st place and received a full paid trip to the National Competition in Washington, DC on April 25-29.
