

Shred-O-Rama

8 a.m. to Noon Saturday, July 13

NYS Fairgrounds Brown Parking Lot

I am happy to once again help sponsor OCRRA's Shred-O-Rama. This is a wonderful event to help properly dispose of confidential data while protecting our environment.

This event is free to all Onondaga County households.

Residents may bring up to 5 banker's boxes (~150 lbs) of confidential papers which will be shredded on site. Confidential documents include medical documents, bank information, credit card statements, tax forms and other records containing account numbers.

Please do **NOT** bring magazines, newspapers, photographs, binders, film, credit cards, hard drives, or other non-paper items. They will not be accepted, nor will items from businesses.

At the event, the local chapter of the National Association of Letter Carriers (NALC #134) will be collecting donations for the Muscular Dystrophy Association.

I would also like to thank volunteers from OnPoint for College who will be at the event helping to unload your vehicles.

Please call my office at 315-428-9651 if you have any questions.
