# Mark Johns

knows that the hardworking people of Monroe County deserve hardworking representation in Albany. Mark authored a signature package of Real Reform legislation that could save us millions annually and that's why he fights so hard to deliver on so many of our priorities:

- **Stood up against massive state spending and job killing taxes and fees;**
- **Held corrupt politicians accountable by stripping them of taxpayer-funded pensions;**
- **Brought home \$90 million in emergency relief to taxpayers and business owners along Lake Ontario;**
- **Enacted historic changes to volunteer firefighters' benefits;**
- **Continues to work against the heroin & opioid epidemic; and**
- **Delivered record amount of state aid for schools.**
